

# Dakota Shy

## 2013 Dakota Shy 'Napa Valley' Cabernet Sauvignon

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, *Dakota Shy* wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

Our first Cabernet Sauvignon from the spectacular 2013 vintage, the 2013 Dakota Shy 'Napa Valley' Cabernet Sauvignon is a masterful blend from three exceptional vineyards. This wine shows the finesse and concentration that is the benchmark for *Dakota Shy*. Tremendous length, brilliant density and a polished, persistent finish that separates her from her peers. There is no question that this is the best wine *Dakota Shy* has put in bottle to date.

*"Beautiful aromas of violets, dark cherry, blueberry and baking spice (vanilla, cinnamon) layered over coffee and dark chocolate notes.*

*On the palate it is dense and mouth coating with a plush core of chocolate-covered blueberry fruit, mineral, cocoa and vanilla bean flavors framed by a velvet glove of fine-grained tannins. Complex notes of tobacco and stone in the background.*

*Very long, layered, sophisticated finish where the cocoa and blackberry flavors push on indefinitely. Incredible texture, structure and finesse to the tannins. A baby now with years of development – but totally delicious now."*

-Tom Garrett, Winemaker
