SPRING 2025 SHIPMENT

“The 2023 growing season resulted in some of the finest wines we have ever crafted at Dakota Shy. Reminiscent of the classic Napa Valley vintages of the late 90’s and mid-2000’s, the 2023 season was temperate, long and evenly paced and each of our 17 vineyards came in with perfect flavor and phenolic development at moderate sugar levels. Deep, saturated colors, fantastic concentration, energy and luxuriously textured wines with phenomenal flavor complexity and silky-smooth tannin structures. This is a vintage not to miss!”

-Winemaker, Tom Garrett
